PRODUCT CODE

PRODUCT NAME

*Omega Ingredients is all about "Natural" and specialise in the innovative fusion of biochemistry and natural materials. Our kiiNotes® From The Named Fruit (FTNF) Essence range are "100% Pure and Natural" provenance driven ingredients for innovative creation. Whether it be Raspberry from Scotland or Blackcurrant from Britain, our new range of kiiNotes® are from a sustainable source, fully traceable and guaranteed by our reputation so you know that you are getting the best quality naturally - derived ingredients available and all declared as "Flavouring Preparation" according to Regulation (EC) No. 1334/2008.. By working in partnership with carefully selected producers, we continue to develop an ever increasing range of kiiNotes® Essences supported by full suite of technical data. Our due diligence is further enhanced with a range of external accreditations, such as BRC Global Food Standard Grade AA, ISO9001, Home Office and Customs & Excise certifications ensuring controlled management and continuous improvement across the business for all products.*
